

CLATSOP COUNTY IS ALL FOR TAFT

Estimates Made of About 750 Majority for the Republican Ticket.—Vote by Precincts.

The county went heavily for the Republican ticket, and it may be safely estimated that Clatsop will give Taft a majority of 750.

The Astorian received many reports from the various precincts throughout the county, but many of them were not complete. Following is given the complete vote of some of the precincts. Enough was received last night to make the estimate safely in favor of the Republicans by a large vote, as may be seen by glancing at the following:

ASTORIA IN LANDSLIDE FOR MR. TAFT

MORE THAN TWO TO ONE AGAINST BRYAN—VOTE BY PRECINCTS IN THE CITY

Subject to slight inaccuracies that may have crept into the figures the vote of Astoria in totals is as follows, showing a large majority for the Republican ticket; in fact a surprisingly large vote for the Republican nominee:

Republican	935
Prohibitionist	27
Democrat	391
Socialist	169
Independents	4
Total	1526

The election in the city passed off quietly, the vote being slow but steady. The polls opened at 7 o'clock yesterday morning and at no time was there any rush at the polling places. In all the precincts, excepting No. 3, the count was immediately commenced after the closing of the polls and before 8 o'clock the Astorian was able to announce that the vote of those precincts. The judges and clerks of No. 3 went to supper before opening the box and as a consequence it was nearly 9 o'clock before the total result was known.

Early in the evening throngs began to gather at the Astorian office where the returns, as fast as received, were thrown on a canvass by a stereopticon, and as the night wore on the crowd increased until Commercial and Tenth streets were blocked. That the enterprise of the Astorian was appreciated was shown by the close attention paid to the bulletins and the words of commendation heard on all sides.

There was little yelling and hurrahing done; an "I told you so" feeling prevailing among the Republicans, and a hopeless feeling of despair among the Bryanites. The news, while not definite, early in the evening, was sufficiently clear to enable a good prognostication of the final result. The result of the voting in the different precincts is appended from which it will be seen that Taft carried Astoria by a large vote.

IMMIGRATION TIDE.

NEW YORK, Oct. 3.—Oscar Straus, secretary of Commerce and Labor, inspected Ellis Island yesterday and announced himself as satisfied with the progress on improvements under way. "Statistics for October," said Mr. Straus, "show the tide of travel has turned. For the nine months ending September 30th the total arrival of immigrants at this port was 272,000, while for the same time the number of alien departures was 414,000. Last month, on the contrary, immigration exceeded emigration, the number incoming being 41,000 against 35,000 outgoing."
